Remember that the above pricing strategy is temporary. Ultimately, you will stop to promote books at this excessive price. So work out prematurely how lengthy you plan to supply your ebook at this excessive worth, and when that point is up, change your pricing strategy.

If you wish to see giant income over buyer draw, intention for an audience that is in search of easy solutions to their issues at a low price. In case your e book is aimed at fixing one specific drawback slightly than common recommendation, then you can charge more. Begin at the highest worth the market will bear to herald the largest earnings, and plan to discount the e-book a variety of occasions all through the year.

## Advertising Methods

sales and promotional materials, and each time anyone asks you about your ebook.
