If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the new guide, but don't embrace a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure your sales copy is exactly the same on every web

page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum value is.
