In case your ebook solves a problem or solutions questions in a new and distinctive means, it is best to worth your e-book as high as you possibly can go. If you want to see giant profits over buyer draw, goal for an audience that's looking for easy solutions to their problems at a low price. If your book is aimed at solving one particular problem slightly than basic recommendation, then you may charge more. Start at the highest price the market will bear to usher in the largest profits, and plan to discount the e-book a number of occasions throughout the year.
