An efficient approach for determining a worth is to ship out a survey to your current customers. If these clients have already bought an book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the brand new ebook, but don't embody a price on that page. Instead, add various links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with totally different prices on each page. Be certain your sales copy is exactly the similar on each page, and

contains your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum price is.
