An efficient approach for determining a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do that by making a gross sales web page for the brand new ebook, but do not embrace a worth on that page. One other technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be certain your gross sales copy is exactly the identical on

every page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum value is.
