that by creating a gross sales page for the brand new book, but don't embrace a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure your sales copy is exactly the identical on each page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.

In the end, if you happen to've written a e-book that solves a drawback or presents a brand new method, your e book will usher in both site visitors and profits.
