promotional materials, and every time anybody asks you about your ebook.

An effective approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already bought an ebook from you, ask for their opinion by way of price. Do that by creating a sales page for the brand new e-book, however don't include a value on that page. Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is precisely the same on every web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum value is.

Finally, if you happen to've written a e book that solves a problem or presents a brand new approach, your guide will usher in both visitors and profits.
