As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with different costs on each page. Make sure that your gross sales copy is strictly the same on every page, and

contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum price is.

Finally, in the event you've written a e book that solves a drawback or presents a new method, your ebook will usher in both site visitors and profits. So you'll want to write that selling-handle sentence that sums up what problem your e-book solves and what the benefits of your 1450 e book will probably be to the shoppers who buy it.
