Another strategy is to check out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be certain your sales copy is strictly the identical on each web page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum worth is.

Ultimately, should you've written a e book that solves a problem or presents a new approach, your e book will usher in both traffic and profits.
