An effective approach for figuring out a price is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the brand new e book, but do not embrace a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Ensure that your gross sales copy is exactly the same on each page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum price is.
