An effective approach for determining a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the new guide, however do not embrace a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with completely different costs on each page. Be sure that your gross sales copy is exactly the similar on each

page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

Ultimately, when you've written a e book that solves a drawback or presents a new technique, your e-book will usher in both site visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your book solves and what the benefits of your 1679 e book will be to the purchasers who purchase it.
