Do this by making a sales web page for the brand new e-book, but do not embody a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different prices on each page. Make sure your gross sales copy is exactly the same on each web page, and

includes your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum value is.

Finally, for those who've written a guide that solves a problem or presents a new technique, your ebook will bring in both site visitors and profits.
