Advertising Methods

The key that unlocks the sales potential of your ebook is to discover a single sentence that turns into your selling handle. In addition to selling your books assiduously online, there are several different strategies that may enable you to sell extra books.

One is to offer something away for free with your ebook, akin to a precious bonus item. Or bundle several ebooks underneath one worth, which lowers the value for every book if they were sold separately.

An efficient technique for figuring out a worth is to send out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the brand new e book, but do not embrace a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be certain that your sales copy is precisely the same on

every web page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, in case you've written a ebook that solves a downside or presents a brand new approach, your guide will usher in both traffic and profits. So remember to write that promoting-handle sentence that sums up what drawback your e book solves and what the advantages of your 1932 guide shall be to the customers who purchase it.
