An efficient technique for figuring out a worth is to ship out a survey to your current customers. If these clients have already purchased an book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new guide, but don't embrace a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with completely different costs on every page. Make certain your gross sales copy is exactly the same on each web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum price is.
