Do this by making a gross sales web page for the brand new guide, however do not include a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different costs on every page. Be certain that your sales copy is exactly the identical on each web

page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.

Finally, if you happen to've written a guide that solves a downside or presents a brand new method, your guide will herald each visitors and profits.
