If these prospects have already purchased an e-book from you, ask for their opinion in terms of price. Do this by creating a gross sales web page for the brand new e book, but don't embody a price on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Make certain your sales copy is precisely the identical on

each web page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.

Ultimately, if you happen to've written a book that solves a downside or presents a new technique, your e book will bring in both site visitors and profits.
