Do that by creating a sales web page for the brand new ebook, but do not include a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

completely different costs on each page. Ensure your gross sales copy is strictly the same on each web page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum value is.

Ultimately, in the event you've written a e book that solves a downside or presents a new technique, your ebook will herald both traffic and profits.
