Do that by creating a sales web page for the new ebook, but don't embrace a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Ensure that your gross sales copy is strictly the similar

on each web page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum value is.
