An effective approach for figuring out a value is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the brand new e-book, however don't include a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with different costs on each page. Be certain that your gross sales copy is exactly the similar on every

web page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum worth is.

In the end, in the event you've written a book that solves a drawback or presents a new method, your book will bring in both site visitors and profits.
