If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the new guide, but do not embrace a value on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Be sure your sales copy is exactly the same on each page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

In the end, in case you've written a e book that solves a problem or presents a brand new technique, your book will herald each site visitors and profits.
