If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales web page for the new e-book, but don't include a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with totally different prices on each page. Be certain that your gross sales copy is strictly the identical on each web page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum worth is.

Ultimately, in case you've written a ebook that solves a drawback or presents a brand new approach, your e-book will usher in both site visitors and profits.
