An effective approach for figuring out a price is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the brand new guide, however do not embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with different prices on each page. Make sure that your gross sales copy is precisely the similar on

every page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum value is.

In the end, if you happen to've written a guide that solves a drawback or presents a new technique, your e-book will usher in both site visitors and profits.
