Remember the fact that the above pricing strategy is temporary. Finally, you will stop to promote books at this high price. So figure out upfront how long you plan to supply your ebook at this excessive value, and when that point is up, change your pricing strategy.

If you wish to see giant profits over customer draw, goal for an audience that is searching for simple solutions to their issues at a low price. If your guide is geared toward solving one explicit problem fairly than common recommendation, then you'll be able to charge more. Start at the highest value the market will bear to usher in the largest earnings, and plan to low cost the guide a number of times throughout the year.

If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do this by making a sales page for the new e book, but do not include a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is precisely the same on each web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum price is.

Finally, when you've written a e-book that solves a downside or presents a brand new method, your ebook will herald each traffic and profits.
