If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new book, however do not embody a value on that page. Another technique is to check out costs by creating a number of duplicate sales pages with completely different prices on each page. Ensure your gross sales copy is precisely the same on

every page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.

In the end, if you've written a e-book that solves a downside or presents a new method, your guide will usher in both site visitors and profits.
