An efficient method for figuring out a value is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the brand new book, however don't include a price on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Be certain your gross sales copy is strictly the similar on each web

page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum price is.
