Another technique is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Be sure your sales copy is strictly the same on every web page, and includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum price is.

In the end, should you've written a ebook that solves a drawback or presents a brand new technique, your guide will herald each visitors and profits.
