One other strategy is to test out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your gross sales copy is strictly the

identical on every page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum price is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new technique, your ebook will herald both visitors and profits.
