Advertising Strategies

each piece of gross sales and promotional material, and every time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are several other strategies that may allow you to promote more books.

An effective method for determining a value is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the brand new ebook, but do not include a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different prices on each page. Make sure your sales copy is strictly the similar on each web page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum price is.

Ultimately, in the event you've written a ebook that solves a problem or presents a new technique, your e-book will herald both traffic and profits.
