An effective technique for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new ebook, but do not embody a value on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with completely different prices on each page. Be certain your sales copy is precisely the same on each

web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum value is.

Finally, in the event you've written a e-book that solves a problem or presents a brand new approach, your ebook will bring in both site visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your guide solves and what the benefits of your 390 guide will be to the purchasers who purchase it.
