Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with totally different prices on each page. Be certain your sales copy is precisely the identical on every page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum price is.

Finally, should you've written a e-book that solves a problem or presents a brand new technique, your ebook will usher in both visitors and profits.
