Do that by making a sales web page for the brand new e-book, however don't include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with totally different prices on every page. Make certain your sales copy is strictly the similar on every page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum price is.

Finally, if you've written a e book that solves a drawback or presents a brand new approach, your e book will herald each visitors and profits.
