An efficient approach for determining a worth is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the new book, but do not embrace a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with totally different prices on every page. Make sure your gross sales copy is exactly the similar on each web page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum value is.

Ultimately, in the event you've written a guide that solves a problem or presents a new method, your book will herald both site visitors and profits. So be sure to write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 454 guide shall be to the shoppers who buy it.
