As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate sales pages with totally different prices on every page. Make sure that your gross sales copy is exactly the similar on every

web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum value is.

Ultimately, in case you've written a book that solves a downside or presents a new method, your book will herald each traffic and profits.
