price. Do this by making a gross sales page for the new e book, but do not include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Make sure that your gross sales copy is exactly the same on every web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum value is.
