An effective approach for determining a value is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the brand new ebook, but do not embrace a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure your gross sales copy is precisely the similar on each page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. It will let you know what your optimum worth is.

In the end, when you've written a e-book that solves a downside or presents a new method, your ebook will herald both traffic and profits. So be sure you write that selling-handle sentence that sums up what downside your guide solves and what the benefits of your 702 e book shall be to the purchasers who buy it.
