advantages your e-book can provide. Then be sure to use that sentence in every piece of gross sales and promotional materials, and each time anyone asks you about your ebook.

In addition to selling your books assiduously online, there are several other methods that may help you promote more books.

An efficient method for determining a price is to ship out a survey to your present customers. If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do this by making a sales page for the new ebook, but don't include a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is strictly the similar on each page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum worth is.

Finally, if you've written a ebook that solves a problem or presents a new method, your ebook will herald each site visitors and profits. So be sure you write that promoting-deal with sentence that sums up what downside your e book solves and what the advantages of your 756 guide will probably be to the customers who purchase it.
