One other technique is to test out costs by creating a number of duplicate sales pages with completely different prices on each page. Make sure your sales copy is exactly the same on every web page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum price is.

Finally, if you happen to've written a e-book that solves a downside or presents a new technique, your guide will bring in both visitors and profits.
