Do that by making a gross sales page for the new guide, but don't embody a value on that page. As an

alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with completely different costs on every page. Make certain your sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.
