An efficient approach for determining a value is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new ebook, however do not embody a value on that page. page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum value is.
