Do this by making a sales page for the brand new book, but do not embrace a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with different prices on each page. Be certain your sales copy is strictly the identical on every web

page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum price is.

In the end, in case you've written a e book that solves a drawback or presents a new approach, your e-book will usher in each traffic and profits.
