An efficient method for determining a worth is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion by way of price. Do that by making a sales web page for the new ebook, but do not embody a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is exactly the same

on every page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.
