This is a superb pricing strategy if you are seeking to purchase lengthy-time period customers. Lengthy-term customers are extraordinarily doubtless to purchase from you again and once more ? so long as the primary e book they purchase is of exceptional quality and helpful to the customer.

However, if your e book accommodates invaluable ? and extra importantly NEW data, references, or techniques ? then you must goal to price it on the excessive end.

After you figure out your purpose, you will need to work out what your audience's need is in your ebook. For example, does your e-book remedy a specific problem? If it does, and solves it in a manner that hasn't been written about in one hundred different ebooks, you will be in a position to obtain excessive gross sales at a excessive price. If your guide solves an issue or answers questions in a new and unique way, it's best to worth your book as high as you can go. If you want to see large earnings over customer draw, purpose for an audience that is in search of easy solutions to their issues at a low price. Start on the highest price the market will bear to bring in the largest profits, and plan to low cost the e book a variety of times throughout the year.
