If these clients have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the new e-book, however do not embody a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different costs on every page. Be certain that your gross sales copy is precisely the same on each

page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum worth is.

In the end, should you've written a book that solves a problem or presents a brand new technique, your e-book will herald both traffic and profits.
