Selecting the best price to your **Study Guide For Facing The Giants** e book is among the most critical parts of the advertising process. The first rule of pricing ebooks is to by no means underprice. Determine the highest value your audience can afford, after which in case you discover your e-book isn't promoting, you may at all times scale back the price. Before you are taking that step, make sure you are selling your Study Guide For Facing The Giants e-book like crazy on the Web and on websites. The value ought to be aimed toward bringing in income, however you need to by no means forget that value is without doubt one of the factors that folks use in judging the value of your *Study Guide For Facing The Giants* e book ? before they buy it. So always begin with the very best price, and then launch a mega-marketing campaign.

Pricing an e-book is especially tough as a result of ebooks are a fairly new commodity. Since

they're digital, the worth of an book is as complicated as the understanding of what digital actually is to the common layperson. Because of this we must have a look at ebooks in a distinct light in order to decide their actual worth in this courageous, new cyber world.

Let's look at the difference between a ebook in print and an ebook. A printed e-book is an object you'll be able to maintain in your hand, retailer on your bookshelf, even hand down to the following generation. It is priced on components such as paper inventory, design and production costs, and marketing.

However the fact that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the ability to change, or probably remodel, individuals's lives.

What do you think an idea is value when evaluated against the cost of paper and ink?

It's the IDEAS that are beneficial! That's how you determine the cost of your ebook.

What ought to I charge for my ideas?

There are all totally different formulation and methods for determining the proper price in your ebook. Let's begin with honing in in your ultimate goals.

Determine if your objective is to get large distribution and most exposure. This objective is geared toward drawing customers to your enterprise or service, or to establishing the credibility of your reputation. If this is your predominant purpose, it's best to aim to maintain your worth on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive variety of new customers. The secret's to find a price that maximizes your earnings and the number of books you sell.

This is a wonderful pricing technique if you're looking to acquire lengthy-term customers. Lengthy-time period customers are extraordinarily probably to purchase from you again and again ? so long as the first book they purchase is of exceptional quality and helpful to the customer.

Nevertheless, in case your e book contains worthwhile ? and extra importantly NEW data, references, or strategies ? then you should aim to price it on the excessive end.

After you determine your aim, you will need to work out what your viewers's want is in your ebook. For example, does your e-book clear up a selected downside? If it does, and solves it in a means that hasn't been written about in 100 other ebooks, you will be capable of obtain excessive sales at

a high price. In case your guide solves a problem or answers questions in a new and unique manner, it's best to value your ebook as excessive as you possibly can go. You will achieve bigger income this fashion, but usher in fewer customers. Just be sure that the question or problem that your e-book solves is one which is essential and relevant to nearly all of your market audience. If your concepts aren't widespread information, or you're presenting a brand new approach, you will be able to sell books at a high price. Simply be ready to your competitors to undercut you on price as quickly as they hear about your book.

Needless to say the above pricing strategy is temporary. Ultimately, you will cease to promote books at this excessive price. So figure out upfront how long you plan to supply your book at this high worth, and when that point is up, change your pricing strategy.

If you want to see giant income over buyer draw, aim for an viewers that is in search of straightforward solutions to their issues at a low price. In case your e book is aimed at fixing one specific downside moderately than basic recommendation, then you possibly can cost more. Begin at the highest price the market will bear to bring in the largest income, and plan to low cost the e-book a number of times all through the year.

Marketing Strategies

The important thing that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your promoting handle. This sentence states what question or drawback your guide answers and the advantages your e book can provide. Then make sure you use that sentence in

each piece of sales and promotional materials, and every time anyone asks you about your ebook.

Besides promoting your books assiduously online, there are several other strategies that can help you promote more books.

One is to present something away for free along with your e-book, comparable to a invaluable bonus item. Or bundle a number of ebooks beneath one worth, which lowers the value for each e book in the event that they had been offered separately.

An effective approach for determining a value is to send out a survey to your current customers. If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the brand new e-book, but don't include a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with different prices on every page. Ensure that your sales copy is precisely the same on every page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum price is.

In the end, for those who've written a ebook that solves a problem or presents a new method, your e-book will herald both traffic and profits. So be sure you write that selling-handle sentence that sums up what drawback your guide solves and what the advantages of your *Study Guide For Facing The Giants* ebook shall be to the customers who buy it. After which watch your market come to you!
